

Side by side

## Introduction

## Side by side

The Side by side is a executive program.  
With conference tables & management desks  
.The unique junction makes the table sleek and  
Solid.  
From lounge benches to bar tables.  
Low or high. Stained in several colors.  
We can use finger jointed oak wood or  
Finger jointed beech.

## Junction

In order to make the corner stable and without metal pieces. We use this special junction. The tables will therefore be produced in one piece.
